

A WHOLE

NEW WORLD

OF FAMILY FUN

& FOOD!

Come on and

Share the Fun!

The Rock-Afire Explosion® a three-dimensional group of animated characters who perform exciting, fast-paced shows on three stages, are the hit of every ShowBiz® Pizza Place!

The life-like movements of Billy Bob, Fatz, Mitzi and the crew are synchronized to music through the technical wizardry of "Electronimation." This technique is a unique application of computer technology and was conceived by youthful inventor Aaron Fechter, president of Creative Engineering, Inc., 20% owner of ShowBiz Pizza Place. Fechter and a brilliant team of engineers and musicians in Orlando, Florida provide the electronic genius and entertainment skills that make this the most sophisticated stage show this side of reality!

Over 60 games and rides! Add to this a quality menu, over 60 of the newest electronic games, facilities for group parties, and a gift shop, and you have a virtual family vacation event close to home.

The first ShowBiz Pizza Place opened to overwhelmingly favorable response in Kansas City, Missouri, in March of 1980. Since that time, scores of the popular food-and-entertainment centers have opened in over 25 states, with more openings scheduled almost weekly.

Great Food! Pizza, a fresh salad bar, deli sandwiches, soft drinks, ice cream, and beer and wine in most restaurants, make up the menu at ShowBiz Pizza Place. The combination of good food and good fun is unbeatable.

ShowBiz Pizza Place, Inc., will continue to

expand the concept of Family Entertainment Centers, offering the most popular electronic entertainments and the most advanced robotic stage shows. Travelling shows have been introduced to the ShowBiz system, providing a new dimension in entertainment. ShowBiz Pizza Place is dedicated to offering the finest in family entertainment... with the quality that is expected of an industry leader.

I'm Billy Bob, and I can bearly wait to tell you the
inside story about ShowBiz Pizza Place!

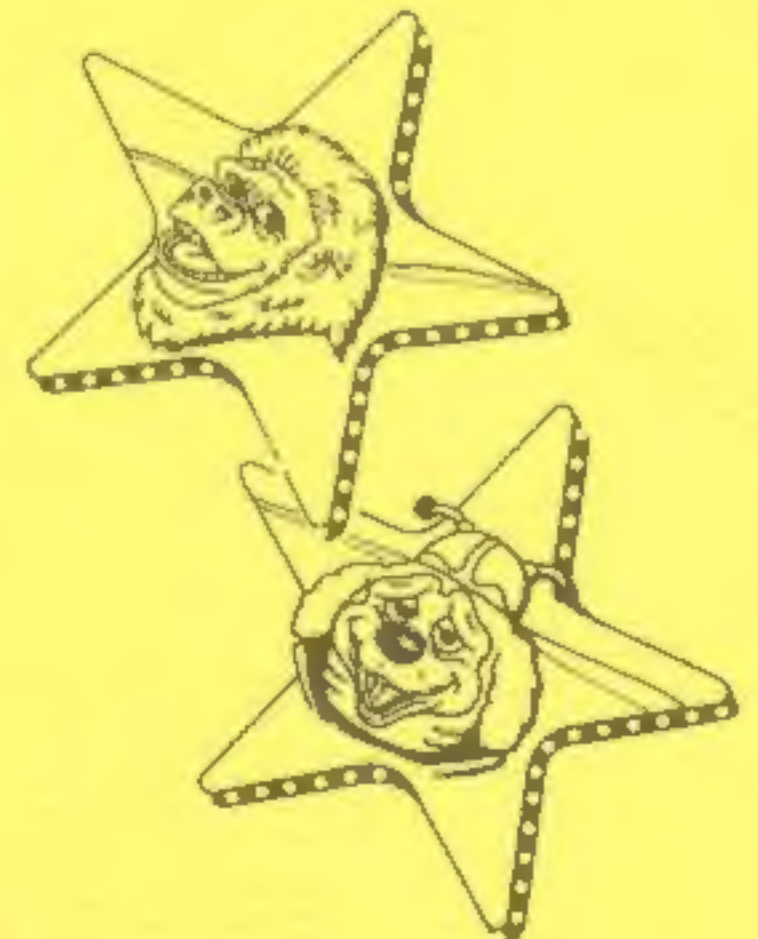

ShowBiz is more than a great pizza place, it's an entire family entertainment center under one roof! We have a Playroom filled with kiddie rides, video games, and even Skee-ball. We have over 70 things to do in this one room!

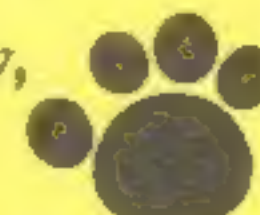

The Showroom is where I perform with my band, the Rock-A-Fire Explosion. We do some of your favorites from the 50's and 60's plus a lot more! You'll meet Fatz, a gorilla on the keyboards, Duke on drums, Beach Bear playing lead guitar, and a mouse named Mitzi with an amazing voice!

Our Sportsroom features big-screen T.V., and every square inch of ShowBiz features FUN!

Put your family in ShowBiz . . . your smile and this card are your admission, and the rest of the evening is on us!

Sincerely,
